

UITLEG BSN & CRUKS DIV. TALEN

[ENGELS]

Welcome to Fair Play Casino!

We are legally required to verify your identity before granting access to our casino. In addition, we must check whether you are registered in the CRUKS system. This register is used in the Netherlands to identify individuals who are excluded from participating in games of chance, such as casinos.

Along with a valid passport, we also need your Citizen Service Number (BSN). This number can be found on your health insurance card, which you receive when you are employed in the Netherlands. If you do not have a health insurance card, you will need to sign our Terms and Conditions. By doing so, you confirm that you do NOT have a BSN number and that you are not listed in the CRUKS register. Should there be any changes to your personal situation or details, it is your responsibility to inform us immediately during your next visit to the casino.

Our staff member will then register your full name, date of birth, and (if applicable) place of birth in our visitor registration system.

Finally, you will be asked to sign the Terms and Conditions. Please check your personal details carefully. By signing, you confirm that all information provided is correct. This process ensures that you can enter the casino. Thank you for your understanding and cooperation.
